Think and Share Invitations

Suggested introduction: Someone may have told you, "Don't feel angry ... or sad... or scared..." or "You shouldn't feel...". They may have been concerned about what you might do while angry, and maybe they were uncomfortable dealing with your feelings. Actually, it is important -- and healthy -- for each of us to be honest with ourselves about how we're feeling, and why.

* Think and share about a time when you did identify your own uncomfortable feelings, and dealt with them without hurting anyone because of how you were feeling. (+ 2 more **Think and Share Invitations** offered)
